October 18, 2004.

P.C.:

The petitioners pray that the respondent be directed not to employ any person to class IV post, who has higher qualification than what has been made desirable educational qualification for Naval Dockyard. The learned counsel appearing for the petitioners has drawn our attention to clause (ii) of Sr. No.2 where desirable qualification for class IV employees is between 7th Standard and 10th Standard. According to him, the selected candidates have more qualification than what is required. In case, the selected candidates are better qualified, that cannot be a ground for denying them the post. Those candidates have also not been impleaded in this writ petition. The writ petition being devoid of any

merit, is accordingly dismissed.
